Recognised Representative Certificate

This is to certify that

Aerovectra

is an official Stenden university Representative

The above Representative has been selected as a Stenden university Representative, because they deliver the standards of service required by Stenden university. The above Representative has assured Stenden university that they will provide potential students and their parents with accurate advice about the study programmes and recruit them accordingly.

The service towards students include support in application - admission - and enrolment procedures, required documents and travel arrangements. The Representative will also carry out Marketing activities which contribute to the product development of Stenden university's portfolio in the country of origin.

Please contact Stenden university, details of which appear below, if you have any concerns about the service provided by this Representative.

Certificate is valid until

June 2010

Signed
