Об университете:

Colorado State University
является ведущим исследовательским центром США. Это институт класса I по классификации Карнеги с бюджетом на научные исследования до 300 млн долларов США. Университет по праву гордится своими выпускниками, среди которых губернаторы, медалисты Олимпийских игр, главы корпораций, крупные исследователи, художники, именитые преподаватели и другие замечательные представители общества. Во время обучения студенты имеют доступ к одной из крупнейших электронных библиотек страны - Morgan Liabrary.

Все имеющиеся коммуникационные ресурсы предоставлены в безраздельное пользование студентам. Преподаватели университета являются лауреатами различных премий
за научные исследования и награды в сфере педагогической деятельности.

В свободное время жизнь студентов вполне насыщенна. Здесь действуют многочисленные студенческие сообщества, которых более 400, выпускается студенческая газета, работают спортивные секции по баскетболу, футболу, плаванию, водному поло, легкой атлетике и др..

Университет находится в живописном городе Форт Коллинс, расположенном в часе езды от столицы штата Денвера и в 2 часах езды от двух крупнейших горнолыжных курортов. Город славится своим теплым и комфортным климатом. Тут более 300 солнечных дней в году! Город отмечен в разных национальных рейтингах как лучший город США для жизни и работы для молодых специалистов. Он признан бым городом по качеству проживания. Он также входит в число 5и городов США с самым большим процентом населения с высшим образованием.
