Об университете:

Государственный университет, расположенный на северо-востоке Англии. Один из крупнейших научно-исследовательских вузов страны, является членом Ассоциации Russell Group, в которую входят наиболее рейтинговые университеты Великобритании. За свои научные достижения университет дважды удостаивался престижной Queen's Anniversary Prize.

В состав Ньюкаслского университета входят 3 больших факультета: факультет гуманитарных и социальных наук, факультет медицинских наук и факультет науки, инженерии и сельского хозяйства. Основной кампус университета расположен недалеко от центра города. Здесь сосредоточено большинство учебных корпусов,

лабораторий и студенческих общежитий, библиотека, предприятий питания и спортивных сооружений.

На этом кампусе также размещаются студенческий театр, студенческий союз и студенческие клубы, центр обучения иностранным языкам, картинная галерея, места отдыха студентов и помещения для открытых публичных лекций.

На дополнительных кампусах разместились научные лаборатории, построенные недавно и оснащенные самым современным оборудованием.

В университете существуют 3 факультета, которые включают в себя следующие направления:

- Agriculture, Food and Rural Development
- Architecture, Planning and Landscape
- Arts and Cultures
- Biology
- Biomedical Sciences
- Business School
