Об университете

Университет Неймегена — государственный исследовательский университет, расположенный в городе Нейменгем. Он был основан в 1923

году. История университета во многом необычна. Во время Второй Мировой Войны он был почти полностью разрушен. Занятия возобновились только после победы в 1945 году. На сегодняшний день учебное заведение насчитывает 7 факультетов, где учится 19 000 студентов.

Программы обучения:
