Seneca College – самый крупный государственный колледж Канады. На сегодняшний день, число студентов, получающих здесь образование и профессиональные навыки, насчитывает более 90 000 человек, включая вечернее и заочное отделения. Колледж находится в г. Торонто.

Колледж располагает мощной технологической базой. Финансирование со стороны государства позволило создать наиболее комфортные условия для обучения – новейшее оборудование, тщательно обустроенные лаборатории и более 6000 компьютеров. В колледже применяются различные передовые методики обучения, которые делают образование еще более эффективным.

Seneca College располагает девятью кампусами – по одному кампусу на каждое из академических направлений. В каждом кампусе имеется

собственные спортзалы, библиотеки, места отдыха, которые делают студенческую жизнь наиболее приятной, а Seneca - самым популярным колледжем среди иностранных студентов.

В Сенеке более 300 профессиональных программ, 19 программ с присвоением степени бакалавра. Наибольшей популярностью пользуются программы второго высшего образования (Graduate Certificate и Graduate Diploma Programmes). Их число растет из года в год. На данный момент их около 70.
На большинство программ существует 3 набора в год: сентябрь, январь и май.
