Об университете:

The University of Gloucestershire – государственный вуз, основанный в 1834 году и получивший статус университета в 2001 году. Входит в пятерку лучших университетов Великобритании по качеству преподавания (число преподавателей, награжденных званием «Учитель года») и занимает ведущие позиции по квалификационным программам в области архитектуры и творческих индустрий. Глостерширский университет расположен в двух часах езды на машине или поезде от Лондона и состоит из 3 кампусов – два из них находятся в Челтнеме, а третий, новый – в Глостере. Из одного кампуса в другой можно быстро добраться на университетском автобусе.

Университет предлагает множество программ подготовки бакалавров и магистров. Ключевыми направлением академических специализаций University of Gloucestershire считается здравоохранение, медицина, и масмедиа. Преподавание каждой из выше упомянутых дисциплин проходит на высшем уровне, многие курсы фокусируются на практической подаче, что позволяет получить не только знания, но и приобрести навыки. Каждый студенческий городок в совершенстве оборудован компьютерными залами, исследовательскими лабораториями, спортивными центрами, библиотеками и прочим необходимым инвентарем для успешного и качественного образования.
