Об университете:

Манчестерский университет (The University of Manchester) — один из наиболее важных британских университетов из числа знаменитых «университетов из красного кирпича». Расположен в городе Манчестер. Входит в Группу Рассел, в которой находятся наиболее рейтинговые университеты Великобритании, и в группу N8 (N8 Group) по сотрудничеству в исследовательских проектах. У нас есть необходимый опыт для подготовки вас к успешному обучению в

Манчестерском университете.

В настоящее время Манчестерский университет находится на самом динамичном этапе своего развития за последние 200 лет. Согласно влиятельному мировому рейтингу шанхайского университета Цзяо-Тун, Манчестерский университет в настоящее время занимает престижное пятое место в Великобритании, шестое - в Европе, 5-е место среди университетов по уровню востребованности выпускников в мире.

Университетский городок расположен в самом центре Манчестера - одного из крупнейших городов Великобритании. Помимо великолепных условий для учебы, в распоряжении студентов множество спортивных арен: манчестерский аквацентр, манчестерский велодром, лодочная станция, спортивный городок. Библиотека университета - одна из трех самых крупных в Великобритании.
